introduction

This third-party brand guide highlights the key components which make up Vsale and Vault.

The following third-party guidelines are for partners, developers and other approved parties wishing to use product names or approved logos, images etc. in connection with promotional, advertising, instructional or reference materials on web and in printed materials.

If you have any questions regarding Skylabs branding please reach out helpdesk@vetter.ai

The following are unauthorized uses of Vetter brand, subbrands and products.

The company, Product or Service Name

You may not use or register, in whole or in part, Vetter or any of our product names or trademarks, including Vetter-owned graphic symbols, logos, taglines, icons, or any alteration or a close approximation of these as part of your company name, trade name, product name, or service name.

Vetter-owned Logos and Graphic Symbols

You may not use our logo or any other Vetter-owned graphic symbol, logo, tagline, or icon on or in connection with websites, products, manuals, promotional materials, or for any other purpose except as agreed upon in writing between us or as outlined in this manual.

Disparaging Manner

You may not use any of our trademarks or any Vetter-owned graphic symbol, logo, tagline, or icon in a disparaging manner.

Endorsement or Sponsorship

You may not use Vetter or any other Vetter-owned graphic symbol, logo, tagline, or icon in a way that would imply Vetter's affiliation with or endorsement, support, or sponsorship of a third-party product or service, except as agreed upon in writing.

Merchandise

You may not manufacture, sell, or give away merchandise items bearing Vetter or any Vetter trademark or Vetter-owned graphic symbol, logo, tagline, or icon except as agreed upon between us in writing.

Trade Dress

You may not imitate the distinctive Vetter look and feel, including website design, logos, imagery, iconography, or typefaces.

Slogans and Taglines

You may not use or imitate a Vetter slogan or tagline.

Domain Names

You may not use an identical or virtually identical Vetter trademark as a second-level domain name.
